

DECEMBER

# MAGIC TRIANGLE AT A GLANCE

2023

Happy Holidays from all of us  
here at Magic Triangle

## Pedagogy

Our pedagogical leaders support the agency programs to ensure they run smoothly and provide learning and reflection opportunities to the educators and children.

In the new year, they will be focusing on bringing in resources within the programs with Padlettes; creating our own in-house Pinterest. It will showcase what is happening within our sites and encourage parent engagement by creating QR codes to the children's learning stories.

## Join Our Team

Visit our website to discover available positions!

[www.trianglesudbury.ca](http://www.trianglesudbury.ca)

Or apply directly at [careers@trianglesudbury.ca](mailto:careers@trianglesudbury.ca)

## Holiday Site Closures

All sites will be closed:

Monday, December 25, 2023  
(Christmas day)

Tuesday, December 26, 2023  
(Boxing day)

Monday, January 1, 2024  
(New year's day)

Site availability will be determined based on scheduled attendance between Christmas and New Year's; some sites may close and send the children to a sister site.

“In the spirit of collaboration, we foster a sense of belonging by educating and empowering our children and families in a nurturing environment.”

WARM GREETINGS

Wishing all our amazing childcare families a joyful and festive holiday season!

We are grateful for the trust and support you have shown us throughout the year. May your holidays be filled with love, laughter, and precious moments with your little ones. We look forward to continuing to care for and nurture your children in the coming year. Happy holidays and best wishes for a bright and beautiful new year!

**Julie Marsh**  
Executive Director

“Every child needs at least one person who is crazy about them.” Urie Bronfenbrenner

Magic Triangle has selected Digibot as its new childcare management software system to be implemented across all of our Early Learning and childcare centres, providing families with a one-stop web app to access their children’s registrations and billing information, expanded payment options directly from the portal, a centralized messaging system, vacation/time off requests, as well as photos, daily stories and journal notes, and so much more! During the first week of December, all active families should have received an email invitation to activate their Digibot Parent Portal with their unique identifier number. If you haven’t already done so, please complete the activation process and update your child/family information in the different tabs. November childcare invoices will be available in the Parent Portal by December 15th! Families will no longer receive paper or emailed copies of their invoices or statements, effective this month. Please activate your account now to benefit from all the conveniences of Digibot! We thank all families in advance for respecting the activation deadlines necessary to have the new Digibot system fully functional by the new year. Stay tuned for the next steps in Magic Triangle’s Digibot Implementation project.

Program growth

Program enrollment has experienced an 8% increase overall this past year throughout the agency. You may notice this in several of our sites. This has been accomplished by implementing various recruitment strategies such as expanding advertising efforts, collaborating with local organizations to increase awareness, and offering incentives to attract potential students. Additionally, Magic Triangle has been reviewing and improving our pedagogical curriculum to ensure it remains relevant and appealing to families. The supervisors are determined to achieve their goal of increasing registrations and are committed to continuously evaluating and adjusting their strategies to ensure enrollment continues to increase.

FAST FACTS

01

SITE CLOSURE

All Magic Triangle sites will be closed on **Friday, January 26, 2024** in order to offer our early learning staff a professional development day.

Thank you for your cooperation.

Childcare fees will not be charged.

02

This year’s FundScrip campaign has raised over \$3,000 in profits! These funds will support the purchase of additional programming supplies, defray costs of group outings and bringing in special guests!

03

EARLYON PROGRAMS

Magic Triangle has 3 EarlyON Child & Family Centers where we offer free, high-quality, drop-in programs for children aged 0-6 and their families. A wide-range of services are offered, including resources that allow families to learn, grow and connect. To learn more, call 705.969.8685 ext. 590.
