

FESTIVE FOOD DRIVE NOURISHING OUR NEIGHBORS

As the holiday season approaches, we invite you to participate in our **Festive Food Drive**, running from **November 1 to December 13, 2024**. This is a wonderful opportunity for our Magic Triangle community to come together and support those in need.

This year's theme, "Nourishing Our Neighbors," reflects our commitment to ensuring that every family has access to nutritious food during the festive season. Your contributions will directly benefit local families through our partnership with the Sudbury Food Bank, providing essential items to help fill their tables.

How You Can Help:

- **Donate Non-Perishable Food Items:** We encourage donations of canned goods, pasta, rice, cereals, and other shelf-stable items. Consider adding holiday favorites like canned vegetables, fruit, or festive treats! Drop off at your Magic Triangle Site today!
- **Organize a Collection:** Gather your friends, family, or colleagues and organize a collection drive. Every little bit helps!

Together, we can make a positive impact in our community and spread the spirit of giving this holiday season. Let's show our commitment to caring for one another and ensure that every family has the nourishment they need.

Thank you for your generosity and support. We look forward to celebrating the joy of giving with all of you!

STORYTIME

We teach young children to identify colors, numbers, shapes, and letters—but what about their feelings? By illustrating such common emotions

as happiness, sadness, anger, fear, and calm, this sensitive book gently encourages young children to open up with parents, teachers, and daycare providers. And kids LOVE the bright illustrations and amazing 3-D pop-ups on every page!

EXCITING NEWS!

We're thrilled to announce an upcoming **50/50 fundraiser**, where you have a chance to **win big** while supporting a great cause! Half of the proceeds will go to one lucky winner, while the other half helps our agency continue its vital work. So watch out for more details in the near future!

Car Seat Safety!

Car seats can be tricky! If you are having difficulty tightening your seat, try this:

- Pull the UAS (Universal Anchorage System) tail toward the center of the car seat; pulling outward makes tightening harder.
- Ensure you're using the correct belt path; consult your car seat manual for the proper route.
- Verify you're using the right UAS anchors; check your vehicle manual for allowable positions and anchor locations.

For installation help or questions, Magic Triangle hosts monthly Car Seat Clinics. To book an appointment call 705-969-8685, ext. 590, or email onyvachelmsford@trianglesudbury.ca.
