

SITE OF THE YEAR ST. ANNE, HANMER

Together with our community partners, we celebrated our staff at the Annual Employee Recognition Awards on November 21! The evening was filled with fun, delicious food, music, laughter, and, most importantly, heartfelt recognition for the dedication and remarkable spirit of our employees.

Every year, a Magic Triangle site is chosen as "Site of the Year". During this evening, the St. Anne, Hanmer Site was recognized as a testament to the team's dedication to accountability, resilience, and a commitment to continuous improvement. We are proud of the progress made in creating a nurturing, supportive, and safe environment for the children. Congratulations to the entire St. Anne team!

Over 100 employees were recognized by a special award or for their years of service with the agency. Some notable recipients include:

Excellence Award:

Dora Joo Menacho - Valley View Site

Community Enrichment Award:

Lucia Welch - Ste-Marie, Azilda

Employee of the Year:

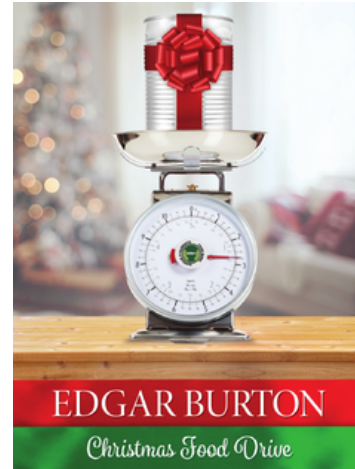

Brenda Keller - Magical Nook

Director's Choice:

Corey MacLoed - Valley View Site

Thank you to all who organized the event, and to all community partners and employees who attended this magical evening!

The Magic Triangle Festive Food Drive will run until December 13th. Each of our locations will have a box or bin available to collect non-

perishable food donations in support of the Edgar Burton Food Drive. Your generous contributions will directly benefit local families through our partnership with the Sudbury Food Bank, helping to provide essential items and ensure families have food on their tables this season. Thank you for your generosity and support. We look forward to celebrating the joy of giving with you!

EMPLOYEE PERKS

Another great perk of working for Magic Triangle:

Our employees receive priority access to spaces in our childcare centers, along with the added benefit of discounted childcare at half price!

We believe in supporting our team, both professionally and personally, and this benefit is just one of the ways we show our appreciation.

For more information or to apply, please reach out to us at careers@trianglesudbury.ca. We look forward to hearing from you!

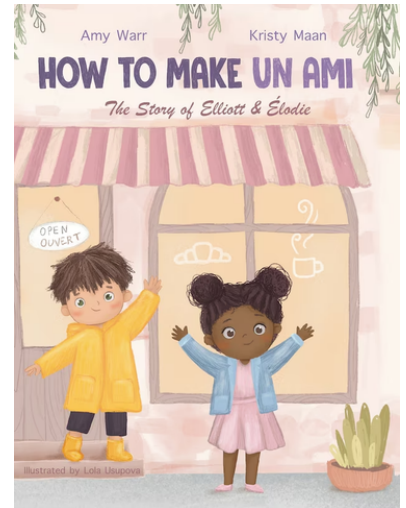

TESTIMONIAL

The experience at the Magic Triangle daycare in St-Joseph Hanmer has been exceptional for my three children. The staff and educators exceeded my expectations and greatly contributed to my children's development. The warm welcome, the flexibility in accommodating my child's dietary restrictions, and the respect for my children's nap schedules are just a few examples that made the experience positive, not only for my children, but also for me as a parent. Most importantly, the staff were able to build a friendly, welcoming, and warm relationship with my children, making them laugh even on the toughest days.

Thank you, Émilie Desjardins

STORYTIME

This is bilingual story of Elliott and Élodie — they become friends even though neither of them can speak each other's languages. Join them as they embark on a whimsical journey around a café, discovering the magic of language through naming everyday items in both English and French.
