OUR BRAND NEW SITE IS OPENING TODAY! A NEW CHAPTER AT NOTRE PLACE!

We are thrilled to announce the official opening of our brand-new childcare and EarlyON space at Notre Place! This vibrant and welcoming environment is the home to more than 150 children and over 25 dedicated staff members. It marks an incredible milestone for our agency, and we could not be more proud of this accomplishment.

To celebrate, we are hosting our very first Family Engagement Event in the new space on Thursday, September 25, from 7:00–9:00 a.m. Families and children from the site are invited to join us as we come together to celebrate the 50th anniversary of the Franco-Ontarian flag. The morning will include a delicious breakfast, engaging activities, and many opportunities to create lasting memories.

And the celebrations don't stop there! Throughout the week of September 22, all Magic Triangle sites will be joining in with their own special activities as part of our agency-wide Family Engagement Event, ensuring that every child and family can share in the excitement.

This is more than just a move into a new building – it's the beginning of a new chapter where children, families, and educators can learn, grow, and celebrate together. ❤️

STORYTIME

Looking for the perfect bedtime read? We highly recommend **Goodnight, I Love You** by **Caroline Jayne Church**.

This adorable board book is filled with gentle rhymes and warm illustrations that make saying goodnight a cozy, loving ritual. With its sturdy pages, it's perfect for little hands to hold and turn as you snuggle up together.

Whether it's the soft rhythm of the text or the sweet message of love woven throughout, this story is sure to become a family favourite at bedtime.

A beautiful way to end the day with your little one: a hug, a kiss, and the words "Goodnight, I love you."

TOGETHER FOR OUR COMMUNITY

EarlyON hosted its very first Family Fun Run and it was a great success! Families, children, and staff came together for a morning filled with fun, energy, and community spirit.

Together, we raised \$270 for Big Brothers Big Sisters of Greater Sudbury. It may not be a huge amount, but it's a wonderful start – and

we are excited to make it an annual tradition, supporting a new cause each year.

Thank you to everyone who participated and helped make this event so special!

TESTIMONIAL

Choosing a daycare for your child is not an easy task. However, we believe that the Ste-Marie site was the ideal choice for our family.

The fact that it is Francophone and close to home is something we appreciate very much. Still, it's more than that. The staff are welcoming, especially Mme Ashley, who always makes our Eva feel comfortable when we drop her off in the morning.

The variety of activities is engaging, interesting, and educational. The updates with photos are greatly appreciated! In addition, whenever a few small concerns came up, they were quickly discussed and resolved.

Thank you to everyone for your conscientious work done with heart!

LEARNING, GROWING, AND KEEPING CHILDREN SAFE

At Magic Triangle, the safety and happiness of children is always our top priority. Like all child care agencies, we sometimes face challenges – but what matters most is how we respond, learn, and make improvements.

This spring, we reviewed our routines and strengthened practices to keep children even safer. For example, we now do head counts more often and are extra mindful during times of transition. At some sites, we also added new safety features and ensured supervisors were on hand to support staff.

The result? We're proud to share that we had a safe and positive summer with no serious incidents.

We may not always be perfect, but we are always learning and growing. Every change we make is guided by our promise to provide children with an environment that is safe, joyful, and filled with opportunities to thrive.
