**HAPPY NEW YEAR
2026!**

Welcome back! We hope you enjoyed a restful and joyful holiday season.

As we begin a new year at Magic Triangle, we are excited to continue learning, growing, and strengthening our connection with children, families, and our community.

This year, our focus is on:

Hearing Every Voice – We are committed to listening to children, families, and educators so that everyone feels valued and included in our decision-making.

Growing Programs – We are working to expand and adapt our programs to better meet the needs of families across our community.

Quality & Safety – Ensuring nurturing environments and strong safety practices remains at the heart of our work.

Family Engagement – We look forward to offering meaningful events and opportunities for families to connect, play, and learn with us.

Thank you for your ongoing trust and partnership. We can't wait to see what 2026 brings as we continue building a strong, caring, and inspiring year together!

FAMILY ENGAGEMENT SPARKLE & SNOW

We're excited to invite MacKenzie Place and St-Joseph sites to our first Family Engagement event of 2026, taking place on **Friday, January 30 from 7:00–9:00 a.m.** Join us for a fun, hands-on winter morning designed for our families to play, create, and connect.

Families will be able to enjoy:

- Snowflake Stamp Art
- Build-A-Flake Station
- Snow Sensory Play
- A Cozy Breakfast & Photo Spot

We also have an agency-wide **snow challenge!**

Families are invited to create something using snow at home – a snowman, snow fort, snow sculpture, snowball tower... let imagination lead!

Send us your photos between January 12-30, and each site will draw winners for fun family prizes.

We look forward to celebrating winter together and seeing all your snowy creations!

TESTIMONIAL

ON y va has truly been a blessing for our family. From the moment we joined, we felt welcomed and supported. Our children

look forward to coming each time, and it's been wonderful to see them grow in

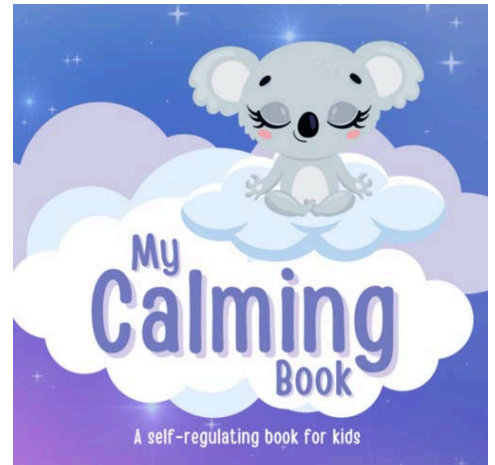

confidence, make friends, and learn through play in such a warm and caring environment. Phanie's kindness and genuine care make ON y va feel so special. She goes above and beyond to ensure every child and parent feels seen, valued, and included. Her patience, encouragement, and love shine through in everything she does, and it makes a real difference for our family. We are so grateful for ON y va and for Phanie's dedication in making it such a safe and joyful place.

STORYTIME

My Calming Book is a wonderful resource that helps children understand their feelings and learn simple calming

strategies. Its inclusive approach offers techniques that any child can use to build confidence, emotional awareness, and self-regulation. A great addition to family reading time!

THE SPIRIT OF GIVING

This December, children and families across all Magic Triangle childcare and EarlyON sites created handmade Christmas cards to spread joy in our community.

The cards were delivered to several local residences, including The Elizabeth Centre, St-Gabriel's Villa, Maison McCulloch Hospice, and more—bringing smiles and warmth to residents over the holidays.

This photo shows just some of the great cards proudly created by the children, reflecting the kindness and community spirit shared across our programs.
