NOVEMBER FAMILY ENGAGEMENT
KINDNESS GROWS HERE

Join us this November for another round of Family Engagement events!

This month's theme, *Kindness Grows Here*, is all about playing, creating and connecting together while celebrating the kindness that helps our community grow.

November Events:
❤️ St-Etienne – November 13 - 7-9am
❤️ Beaumont Avenue – November 17 - 3:30-5:30pm
❤️ Larchwood – November 23 - 7-9am
❤️ Ste-Marie – November 26 - 3:30-5:30pm
❤️ Valley View – November 27 - 3-4:30pm

Families can look forward to hands-on activities, family challenges, creative and sensory play, and lots of opportunities to have fun together!

Throughout November, **all Triangle Magique sites** will be participating in the **Edgar Burton Food Drive with the exception of Levack, Larchwood & St-Etienne who will be accepting donations for Falls Food**. Watch for a donation bin at your site, and if you're able and would like to contribute, we invite you to add a non-perishable food item. Every donation, big or small, helps support families in our community.

Come play, connect and help kindness grow in our community! ❤️

WHY DO YOU LOVE MAGIC TRIANGLE?

YOUR STORIES MADE US SMILE! 💛

We asked our families and employees to tell us why they love Magic Triangle — and you certainly gave us a lot to smile about!

From special relationships and favourite memories to stories of belonging, growth and support, your words reminded us that Magic Triangle is so much more than a place children come each day. It's the people who make it special.

This month, we're excited to share the families and employees whose stories were selected to be featured!

A FAMILY'S JOURNEY WITH MAGIC TRIANGLE

My journey with Magic Triangle Levack began in high school, where I completed three years of Cooperative Education. What started as an opportunity to learn eventually became my career and a place where I have grown both personally and professionally for the past 15 years.

For the last six years, I've also experienced Magic Triangle from another perspective — as a parent.

My boys, Jaxon and Joshua, both started at Levack as toddlers and have built beautiful relationships with their educators and friends. Even now, Jaxon gets excited to see the educators who were part of his early years and continues friendships with children he first met at daycare. Those lasting connections speak volumes about the sense of community and belonging created here.

As both an employee and a parent, I know Magic Triangle is about so much more than child care. It's about relationships, milestones, friendships, support and creating a place where children and families truly feel they belong.

To have started here as a high school student, built my career here and eventually trusted this same place with my own children is something I am incredibly proud of.

My husband and I are truly grateful for the love, care and lasting memories Magic Triangle Levack has given our family — and especially for the role it has played in our boys' childhoods.

STORY TIME

This month's book recommendation comes from Daphne Strain, RECE/Resource Educator at our MacKenzie Place site, who introduced us to a children's author from right here in our community!

Sammie's Ranch Adventures: The Quirky Ranch Crew by local author Chantale Dean follows Sammie, a clever ranch dog with a heart for helping. Through a series of funny mini-adventures with her ranch friends, Sammie discovers the importance of teamwork, courage and a little humour along the way.

Chantale currently has two children's books available, with editions in both English and French — making this an extra-special local find for our Magic Triangle families!

Thank you, Daphne, for introducing us to a local author and sharing this wonderful recommendation!
